RECEIVED

Sir:

We respectfully request issuance of a certificate of correction of a Patent and Trademark Office mistake in the above-reference patent. The attached form PTO-1050 specifies two corrections to be made:

- (1) at column 1, line 18 after "...patient care system", please add -- now U.S. Patent No. 5,836,910 --; and
- (2) in the claims, please cancel claims 19-27 (column 16, line 58 through column 18, line 59).

Both of these changes should have been made pursuant to an Amendment After Allowance Under 37 CFR § 1.312 which was filed January 25, 1999. A copy of the amendment is attached, along with a copy of the Response to Rule 312 Communication, dated February 22, 1999, evidencing that the Amendment After Allowance was entered into the patent record.

Because this mistake was incurred through the fault of the Patent and Trademark Office and is clearly disclosed by the records of the Office, Applicants respectfully request that the Commissioner issue a Certificate of Correction under 37 C.F.R. § 1.322. No fee is required.

Respectfully submitted,

PENNIE & EDMONDS LLP
